Spa Treatments Menu

Comfort team is happy to host you at the hotel and wishes you a pleasant vacation

Couple Swedish Massage 55 min 480 NIS

The massage is done with aromatic oils and is performed by stretching and muscle relaxation. Accelerates the rate of metabolism and stimulates blood circulation. A romantic couple experience.

Cupping Therapy 55 min 300 NIS

An ancient healing technique from traditional Chinese medicine that uses suction cups to stimulate blood flow, relieve muscle tension, and release toxins. Ideal for deep relaxation, pain relief, and rebalancing

Reflexology 30 min 150 NIS

Reflexology treatment is a process of pressure and massage of the feet which affects all the organs in the body. Eliminates toxins from the body and gives a general feeling of relaxation.

Face and Neck Massage 30 min 150 NIS

Pampering scalp, face and neck massage. Relieves tension, stress, headaches and a sense of relief. Helps recovery after physical and mental stress. Gives a general feeling of relaxation.

Classic Swedish 55 min 240 NIS

The massage is done with aromatic oils and is performed by stretching and muscle relaxation. Accelerates the rate of metabolism and stimulates blood circulation. Relieves tension and tight muscles.

Deep Tissue 55 min 280 NIS

The massage focuses on the deep connective tissues that wrap around the muscles. Releases tight muscles, eliminates toxins from the body and helps recovery after training or effort.

Combined Massage 55/90 min 260/350 NIS

The massage begins with a Swedish treatment to warm up the muscles before starting a tissue massage and ending with a relaxing massage. Releases tight muscles and gives a general feeling of relief.

Hot Stones 55 min 300 NIS

A treatment that combines massage through direct contact of the hands and heated basalt stones to stimulate blood circulation. Relieves tension and tight muscles and cleanses toxins from the body.
